Christian Yoga - Yoga that weaves prayer, biblical meditation & scripture into a faster gentle yoga class. We end our time resting to a worship song. You will feel refreshed physically, mentally & soulfully!

Circuits with Sara - this class will be more geared to a HIIT workout style for a full-body workout. It is a interval training sequence with high-intensity exercises. It builds cardiovascular fitness while improving muscular strength and endurance....this class combines resistance training with plyometric moves to improve your strength and power.

Cycling- Diversified has awesome spinning instructors that are ready to give you a great workout. Spinning is an exercise that utilizes a specially designed stationary bicycle and a series of cycling movements that provide the participant with both a physical and mental workout. The spinning bike is designed to mimic an outdoor bicycle ride with the added bonus of core and leg exercise to tone while you burn.

Cycle & Sculpt - is exactly as the name describes—it's the best of both worlds: an endurance-building workout that also focuses on toning and tightening your major muscle groups.

Fitness Fusion - a dynamic, total-body class designed to help you build strength, boost energy, and have fun! No two classes are ever the same, keeping your routine fresh and exciting. While every session challenges your muscles and elevates your heart rate, we mix things up using diverse formats—like step, kickboxing, and circuits—alongside fun fitness props including dumbbells, exercise balls, and resistance bands. Everything is set to an upbeat playlist in a welcoming, zero-pressure atmosphere. Whether you are just starting your fitness journey or looking for a new challenge, every movement is easily modified to match your exact pace and fitness level.

Gentle Yoga - A revolution in mind/body training that will change the way you feel about your body forever. You will stand straighter and feel stronger, while becoming more flexible and physically aware. Yoga is designed for all fitness levels.

HIIT— High intensity interval training, this class uses body weight and some equipment to take you through a great cardio and total body workout. It teaches your body how to efficiently use its energy sources combining agility, speed, power & stamina.

Rock Steady Boxing – Parkinson's Disease Fighters bring their Cornerman to a boxing inspiring circuit class focused on balance, movement, and fun led by certified Coaches Stephanie & Justin. We're learning everyday that there are ways in which people with Parkinson's disease can enhance their quality of life and even build strength, flexibility and speed! By exercising with coaches who know the ropes, you can fight your way out of the corner and start to feel and function better. (info@rocksteadyboxing.org)

Silver Sneakers® Classic – Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a Silver Sneakers ball are offered for resistance. A chair is used for seated and/or standing support.

Turn Up Dance Fitness— is a high intensity fitness class that combines elements of HIIT, strength training and dance. We evolve unapologetically, live loudly and dance ruthlessly. Turn Up classes will leave you feeling empowered, inspired and oh so sweaty. Come take your fitness to the next level and TURN IT ALL THE WAY UP! No rhythm? No problem, NO dance experience necessary!
